

## MSDI 2023 in Nha Trang, Vietnam

MSDI aims to an international exchange of new knowledge and achievements with regard to the fields of Marine Sciences and Innovations. It also brings together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Research in Marine Sciences. Furthermore, MSDI provides a premier interdisciplinary platform for the researchers to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Marine Sciences.

We are happy to invite you to MSDI 2023 in Nha Trang, Vietnam, jointly organized by Nha Trang University (NTU), Vingroup Innovation Foundation (VINIF), and Vietnam National Foundation for Science and Technology Development (NAFOSTED). It is also a great opportunity to enjoy the one of the most beautiful bay of the world (29<sup>th</sup>) - Nha Trang Bay at the same time.
